## We're Here to Help ... Make a Payment Arrangement

If you have past due bills, visit My Account at njng.com or call 800-221-0051 to set up a Deferred Payment Agreement and find out if you qualify for energy-assistance programs.

## Monthly Meter Reading and Your Bill

Many of our customers benefit from automatic monthly meter readings. For those who do not, we need your help to obtain an accurate meter read. Please keep shrubs trimmed and dogs restrained while our meter reader visits. If the meter is in your house, and we missed the meter read on the scheduled read date, please call us to make special arrangements.

If the meter reader cannot obtain a reading, he/she will leave a form for you to fill out that has clear instructions on how to read your own meter. Avoid a calculated bill and more closely monitor your monthly natural gas usage by reading the meter yourself when we are unable to do so. Visit the My Home section of njng.com and click on About Your Gas Meter to learn how.

## Make Your House More Comfortable and Save Money!

Up to 60 percent of energy used to heat and cool your home may be wasted due to leaky ducts, inadequate insulation and air leaks. Installing a high-efficiency heating system is only the first step toward energy efficiency. And NJNG has rebates and incentives through The SAVEGREEN Project® to help pay for your energy-efficiency upgrades! You may qualify for:

- **Rebates up to \$5,000\***
- **0% APR financing up to \$10,000 on your NJNG bill**
