

# NEW JERSEY NATURAL GAS ADVANTAGE

*For Your Home & Business*

Giving back to our communities remains a priority at NJNG as our efforts focus on those issues we know to be most important to our customers – education, wellness and the environment. As a reliable partner, we are committed to making the places we live, learn and work the best they can be.

## FREE College Planning Workshop from NJNG

Join leading college admissions expert Peter Van Buskirk as he draws on his experience to help students navigate through the complex college admissions process.

*Learn about:*

- Finding the best college fit
- The application process
- How financial aid works
- Campus resources
- Tips for success

*Choose a date that works for you:*

**Thursday, October 18**  
County College of Morris,  
Randolph, 6 p.m.

**Wednesday, November 28**  
Brookdale Community College,  
Lincroft, 6 p.m.

**Thursday, November 29**  
Ocean County College, Main Campus  
Toms River, 6 p.m.

**Time to get creative for a chance to win some cool prizes!**

## A Visual Arts Contest for Fifth Graders

Let your fifth grader's talent shine through in the sixth annual NJNG Conserve to Preserve® Kids and Conservation Poster Contest. The contest is open to all fifth grade classes within NJNG's service territory and offers students a chance to win one of three laptop computers. And the three winning students' schools will receive \$1,000 contributions towards energy-conservation or environmental projects while their teachers receive \$100 gift cards!\*

Wait, there's more. To top it off, the Radio Disney AM 1560 Road Crew will make an appearance at the three winning students' schools – bringing with them fun, music and games for everyone to enjoy.

## Lights. Camera. Action!

And for high school students within our service territory ... here is a chance to showcase their energy-saving efforts in our second annual video contest. Videos can be submitted as an individual or group project. The winning individual submission will receive \$500 and the winning group submission will receive \$2,500.\*

Our community partner, the Asbury Park Press, will then showcase the videos of the top three finalists on its Web site where the public will vote for the viewer's choice award. The winning entry of the viewer's choice award will receive \$500.

Videos must be no more than two minutes in length and highlight natural gas energy conservation efforts.

Just give us a call at 732-938-1035 to get started. All poster and video contest entries must be submitted before November 18, 2012. Winners will be announced at NJNG's annual meeting in January 2013.

*In partnership with*

*\*NO PURCHASE NECESSARY. Poster and video contests end November 18, 2012. Video contest open to students, 13 and older, attending high schools within NJNG's service territory. VOID WHERE PROHIBITED. For complete rules, visit the Kids and Conservation section of [www.njng.com](http://www.njng.com).*

## SPEAKERS' BUREAU

The NJNG Speakers' Bureau provides FREE quality programs designed to entertain and educate diverse audiences throughout our service territory. Learn about such topics as energy efficiency and conservation, safety, energy assistance and the environment.

For smaller elementary school groups, we offer an age appropriate video and follow-up discussion. And larger student group assemblies can check out the Energy Hog show. This 30-minute skit features the villainous Energy Hog and his nemesis the Energy Hog Buster.

Whether you are looking for a guest lecturer or classroom speaker, we've got the program for you.

For information or to schedule a Speakers' Bureau program, contact Carolyn Cannon at 732-938-1035 or [speakers@njng.com](mailto:speakers@njng.com).

## See What We're All About

At NJNG, our doors are opened for you. Come gain firsthand knowledge about the energy industry! We invite your group to explore our facilities and discover how we deliver natural gas to a half million customers daily. Our FREE program includes a presentation and tour that can be customized for your members. Perfect for any age level or group, it is ideal for students, scouts, seniors and community organizations. For more information or to schedule a visit, please contact [speakers@njng.com](mailto:speakers@njng.com).

# VISION

Volunteers Inspiring Service In Our Neighborhoods

NJNG is committing our energy to the future.

Through our VISION program, we provide volunteers and financial support to hundreds of nonprofit organizations in our neighborhoods. One of our biggest VISION events is just around the corner. Join team NJNG and help make a difference one step at a time.

**October 21, 2012**

## **Making Strides Against Breast Cancer Walk**

**Point Pleasant Beach,  
Ocean and Arnold Avenues  
Registration at 8:45 a.m.**

**Just look for our NJNG flags!  
Hope to see you there.**

If your nonprofit organization needs a hand with an event or project, contact 732-938-1074 or [vision@njng.com](mailto:vision@njng.com). All requests will be reviewed for consideration.

## Conserve to Preserve Community Rewards

Conserve to Preserve (CTP) Community Rewards, a unique fundraising program from NJNG, wants to help community organizations, members and supporters take the first step to reduce energy use and protect the environment. And remember ... energy savings translates to lower energy bills. The CTP Community Rewards program provides PTAs and other community organizations the chance to raise up to \$5,000 in just three months at absolutely no cost!

For every NJNG customer referred by your organization who complete the CTP Dashboard residential profile, we will reward your organization \$5, up to a total of \$5,000. NJNG's CTP Dashboard is a FREE online tool that helps NJNG customers to track and analyze energy use and identify energy-saving opportunities in their homes. By answering a few simple questions about their house/apartment, appliances and lifestyle, customers receive customized recommendations for no- to low-cost energy-efficiency improvements. Moreover, the CTP Dashboard enables customers to compare their homes' energy use to homes of similar size and style in their area.

Don't wait. Simply call 732-938-1257 to register your community organization today!
