

For Your Home & Business

New Jersey Natural Gas Advantage

Dear Neighbor,

In this economy, many families in our service territory are struggling to make ends meet. With weather turning colder that challenge becomes more difficult. But you can help make a difference.

With a contribution to the New Jersey Natural Gas (NJNG) Gift of Warmth fund, you can bring comfort to the homes and hearts of deserving families. Administered by the United Way of Monmouth County, the Gift of Warmth provides energy assistance to help eligible customers meet their heating needs. Every dollar goes directly to families in our communities. Moreover, all donations are tax-deductible, and NJNG will match 100 percent of your donation – dollar for dollar – up to a total of \$80,000.

Since its inception in 1987, the Gift of Warmth has raised over \$4.8 million and provided energy assistance to nearly 21,000 families thanks to the generous contributions from our employees, shareholders and customers, such as you.

The power to make a difference is easier than you think. You can make a monthly contribution or a one-time donation right on your NJNG bill. If you choose to make a one-time donation apart from your bill, we kindly ask that you write out a separate check to the Gift of Warmth. Simply indicate which option you prefer on the enclosed self-addressed envelope and return it to us. Please do not include your donation with payment of your natural gas bill.

On behalf of all of the families who have benefitted from the Gift of Warmth, we hope you will consider making a donation to help our neighbors in need stay warm this winter. As always, your support and generosity are deeply appreciated.

Sincerely,

Laurence M. Downes

NJNG has a VISION

Every year, our employees and retirees, with the help of their families and friends, generously give of their own time to support community projects through our Volunteers Inspiring Service In Our Neighborhoods (VISION) program. In 2011, these generous individuals spent more than 4,400 hours making a difference in our communities - lending a helping hand where it was needed most:

- Fundraising for the American Heart Association, American Cancer Society and March of Dimes' March for Babies
- Cleaning up our local beaches and holding environmental and marine programs at Ocean Fun Days
- Assisting at community races such as the Spring Lake and Belmar Five Mile Runs
- Landscaping the Ronald McDonald House and Collier Services
- Packing food boxes for families in need during the holiday season and working at the FoodBank of Monmouth and Ocean Counties
- Supporting the Special Olympics at local bowling and basketball events

As a reliable community partner, we are committed to making the places where we live work and learn the best they can be. If your nonprofit needs a hand with an event or project, contact our manager of customer advocacy and volunteerism at 732-938-1074 or vision@njng.com. All requests will be reviewed for consideration.

This year, VISION volunteers raised more than \$12,000 through the Making Strides Against Breast Cancer Walk fundraising initiatives. Heartfelt thanks to our customers, employees, families and friends who joined us in this worthy cause.
