RE: IN THE MATTER OF THE ESTABLISHMENT OF A UNIVERSAL SERVICE FUND PURSUANT TO SECTION 12 OF THE ELECTRIC DISCOUNT AND ENERGY COMPETITION ACT OF 1999 BPU DOCKET NO. EX00020091

NEW JERSEY NATURAL GAS COMPANY 2012/2013 ANNUAL COMPLIANCE FILING FOR THE UNIVERSAL SERVICE FUND PROGRAM FACTOR WITHIN THE SOCIETAL BENEFITS CHARGE RATE BPU DOCKET NO. ER1206

Dear Ms. Izzo:

Please accept for filing in the Universal Service Fund ("USF") proceeding captioned above an original and 10 copies of the 2012/2013 USF/Lifeline Compliance Filing ("Compliance Filing") submitted by New Jersey Natural Gas Company ("NJNG" or the "Company"). Pursuant to Orders of the New Jersey Board of Public Utilities ("Board") dated April 30, 2003, July 16, 2003, and June 22, 2005, an annual compliance filing for prospective USF rates is required on or before July 1st of each year.

In order to streamline the Board's review of the required Compliance Filings from each New Jersey electric and natural gas company (collectively, the "Utilities"), the Utilities agreed to jointly submit one primary document containing the detailed rationale and supporting documentation for joint recommendations regarding the statewide USF/Lifeline rates. That information has been provided within the compliance filing of Public Service Electric and Gas Company ("PSE&G") ("Joint Compliance Filing"). The individual companies then submit abbreviated Compliance Filings supporting their individual positions and relying on the overall submission and positions included within the PSE&G filing.

Therefore, NJNG accepts and relies on the 2012/2013 rate calculation template submitted by PSE&G for natural gas, including the requested statewide after-tax USF/Lifeline natural gas recovery rate of \$0.0184 per therm. The USF component is increasing by \$0.0002 per therm and the Lifeline component is decreasing by \$0.0003 per therm. These rates, resulting in an

after-tax decrease of (\$0.0001) per therm (from the current recovery rate of \$0.0185 per therm), represent a decrease of 0.01 percent on the average monthly bill for a residential heating customer, as shown on Exhibit NJNG-A attached hereto. Proposed tariff sheets are attached hereto as Exhibit NJNG-B. Although this filing proposes an overall decrease in the combined USF/Lifeline rate, NJNG intends to publish a public notice because the overall rate incorporates an increase in the USF component. A proposed public notice is attached hereto as Exhibit NJNG-C.

In the June 21, 2010 Order in Docket No. EO09090771, the Board granted approval for the Utilities to defer and seek recovery of future administrative costs within certain categories of appropriate costs. Accordingly, Attachment A of the compliance filing submitted by PSE&G includes NJNG's deferred administrative costs. Within the Joint Compliance Filing, the Utilities request full recovery of their deferred administrative costs in 2012/2013 USF rates and Lifeline rates in the month following Board approval of such rates from funds disbursed to the Utilities by the USF Trust Fund clearinghouse maintained by the New Jersey State Department of Treasury.

NJNG requests that the Board accept its Compliance filing in conjunction with the Joint Compliance Filing submitted by PSE&G and issue an Order granting the following relief:

- 1. Approval of a new statewide after-tax natural gas USF/Lifeline recovery rate of \$0.0184 per therm (an after-tax decrease of \$0.0001 per therm to the current statewide natural gas USF/Lifeline rate of \$0.0185 per therm) for natural gas service effective October 1, 2012 and
- 2. Authority to recover the deferred administrative costs included in the Joint Compliance Filing and to include those costs in rates.

Kindly acknowledge receipt of this Compliance Filing by date-stamping the enclosed copy of this letter and returning the same in the stamped, self-addressed envelope. Copies are being provided electronically to all individuals listed on the attached service list.

If you have any questions regarding this filing, I can be reached at (732) 919-8025.

Respectfully submitted,

Tracey Thayer, Esq.

Director, Regulatory Affairs Counsel

<u>UNIVERSAL SERVICE FUND – USF</u>

DETERMINATION OF THE USF

On an annual basis, the NJBPU shall consider the following: estimated USF benefits for upcoming USF program Year; estimated administrative expenses; the projected current year under/over recovery position, and annual forecasted volumes in order to establish a USF rate for the upcoming USF program year. This state wide rate shall be adjusted for all applicable taxes and assessments and shall be provided to all utilities to be included in their annual SBC filings for notice and public hearing purposes.

The Company shall calculate carrying costs on any under-or over-recovered USF balances based upon the twoyear constant maturity Treasury rate, as published in the Federal Reserve Statistical Release on the first day of each month, or the closest day thereafter on which rates are published, plus sixty (60) basis points; provided, however, that this interest rate does not exceed the overall rate of return as authorized by the Board. The interest rate shall be reset each month. The carrying cost calculation shall be based on the net of tax beginning and end average monthly balance. The carrying costs shall accrue on a monthly basis and shall be rolled into the USF balance at the end of each USF year.

The USF shall be collected on a per therm basis and shall remain in effect until changed by order of the NJBPU:

Lifeline	\$ 0.0051<u>0.0048</u>

NEW JERSEY NATURAL GAS COMPANY NOTICE OF FILING AND PUBLIC HEARING

IN THE MATTER OF THE ESTABLISHMENT OF A UNIVERSAL SERVICE FUND PURSUANT TO SECTION 12 OF THE ELECTRIC DISCOUNT AND ENERGY COMPETITION ACT OF 1999 BPU DOCKET NO. EX00020091

IN THE MATTER OF THE PETITION OF NEW JERSEY NATURAL GAS COMPANY 2012/2013 ANNUAL COMPLIANCE FILING FOR THE UNIVERSAL SERVICE FUND PROGRAM FACTOR WITHIN THE SOCIETAL BENEFITS CHARGE RATE BPU DOCKET NO. ER1206____

TO OUR CUSTOMERS:

PLEASE TAKE NOTICE that, pursuant to the Electric Discount and Energy Competition Act, <u>N.J.S.A.</u> 48:3-49, <u>et seq.</u>, the Universal Service Fund ("USF") program was established by the New Jersey Board of Public Utilities (the "Board"), to provide funds to assist qualifying low-income individuals in paying their energy bills. Pursuant to Orders of the Board dated April 30, 2003, July 16, 2003 and June 22, 2005, the State's electric and gas public utilities' Societal Benefits Charge includes recovery of funding for the USF program through uniform statewide rates. The Societal Benefits Charge also includes funding for the Lifeline Program. The State of New Jersey's Department of Community Affairs is the Administrator of the USF Program and the New Jersey Department of Health and Senior Services is the Administrator of the Lifeline programs and authorizes the disbursement of benefits to eligible customers in the respective programs.

New Jersey Natural Gas Company ("NJNG" or the "Company") made a compliance filing with the Board on June 22, 2012, requesting authority to implement a decrease related to the statewide USF/Lifeline program charge, as described below, to be effective on October 1, 2012. The current after-tax USF/Lifeline program charge for natural gas customers is \$0.0185 per therm. The USF component is increasing by \$0.0002 per therm and the Lifeline component is decrease to \$0.0184 to recover approximately \$57.5 million for the statewide natural gas USF program and \$20.4 million for the Lifeline programs. The above request will not result in any profit to the Company. The revenues received under the proposed USF charge are designed to permit the Company to recover only its costs for the USF and Lifeline program. Actual program costs will be reconciled with the revenues received through the USF program charge in the next annual filing scheduled to be made no later than July 1, 2013.

The proposed statewide charges for natural gas customers are as follows:

Universal Service/Lifeline Fund Components of Societal Benefits Charge				
	Present	Present	Proposed	Proposed
		(Incl. Sales and		(Incl. Sales and Use
		Use Tax)		Tax)
USF- per therm	\$0.0125	\$0.0134	\$0.0127	\$0.0136

Exhibit NJNG-C

D	\mathbf{a}	C O
Page	,	ot /
1 420	~	OI 2

Lifeline- per therm	\$0.0048	\$0.0051	\$0.0045	\$0.0048
Total USF/Lifeline	\$0.0173	\$0.0185	\$0.0172	\$0.0184

If approved by the Board, the impact of the proposed changes in the USF/Lifeline Charge on typical natural gas bills is illustrated below:

		Rates		Decrease	
			Proposed		
	Therm	Bill as of	Bill as of		
Customer Type	Level	June 1, 2012	October 1, 2012	Amount	Percent
Residential Heat Sales	100	\$118.17	\$118.16	(\$0.01)	(0.01%)
Residential Non-Heat Sales	25	\$36.20	\$36.20	(\$0.00)	0.00%
General Service Small	100	\$134.37	\$134.36	(\$0.01)	(0.01%)
General Service Large	1200	\$1,257.70	\$1,257.58	(\$0.12)	(0.01%)

Based on this filing, a typical residential natural gas customer using 100 therms per month would see a decrease in their monthly bill from \$118.17 to \$118.16, or (\$0.01) or approximately (0.01) percent.

The Board has the statutory authority to establish the USF and Lifeline charges at levels it finds just and reasonable. Therefore, the Board may establish the USF and Lifeline charges at levels other than those proposed by NJNG.

Copies of the Company's June 22, 2012 filing can be reviewed either at the NJNG Customer Service Centers listed on the Company Web site, www.njng.com, or at the New Jersey Board of Public Utilities, 44 South Clinton Avenue P.O. Box 350 Trenton, NJ 08625-0350.

The following date, time and location for a public hearing have been scheduled on the above filing so that members of the public may present their views:
