

We're in This Together

We know these are challenging times. You never may have qualified for energy assistance before, and perhaps you never had to. We stand ready to connect you with available tools and resources to help pay your energy bills. You may be surprised by the income guidelines.

Give us a call at 800-221-0051 (and say, “Energy Assistance” at the prompt) to enroll in a flexible payment plan. For information on energy assistance programs, including eligibility requirements and where to apply, visit njng.com/energyassistance. If you have any questions, email EnergyAssist@njng.com.

Tools and Resources to Help Pay Energy Bills

NJNG offers interest-free, flexible payment options to help customers catch up on their energy bills.

The NJ SHARES and the Payment Assistance for Gas and Electric (PAGE) programs help income-eligible residents pay their heating and cooling costs with up to a combined \$1,400 in credits applied to their energy bills.

The Low Income Energy Assistance Program (LIHEAP) provides limited-income customers grants to help pay heating and medically necessary cooling costs, and applicants also may qualify for additional grants from PAGE. Plus, the state's Universal Service Fund provides qualified customers a credit of up to \$1,800 per year on their energy bills.

Give us a call at 800-221-0051 (and say, "Energy Assistance" at the prompt) to enroll in a payment plan. For information, terms and conditions and to apply for energy assistance, please visit njng.com/energyassistance. If you have any questions, email EnergyAssist@njng.com.

Note: The above programs are independent of NJNG. Terms and conditions apply.
