

We're Here to Help You Find Solutions

We understand the impact energy costs can have on your household budget. NJNG is committed to connecting you with energy assistance programs and resources to help manage your energy bills.

Energy Assistance Programs

Grants are available for varying household incomes to help pay your energy bills. For example, a family of four with a household income of up to \$160,276 may qualify. For a list of energy assistance programs, eligibility requirements and to apply, visit njng.com/energyassistance.

Plus, NJNG is processing first-time applications for the Universal Service Fund (USF)*†, which helps eligible low-income households lower their natural gas and electricity bills. To learn about eligibility requirements and start the application process for USF, contact us at energyassist@njng.com.

Payment Arrangement

Customers with an outstanding balance may qualify for an interest-free payment arrangement to help bring your account current. To enroll, call us at 800-221-0051 (and say, "Energy Assistance" at the prompt).

Equal Payment Plan

Spread your estimated annual natural gas costs over 12 months to help even out bill fluctuations. Sign up at myaccount.njng.com.
