Docket No. GR17111182**

NOTICE OF SOCIETAL BENEFITS CHARGE FILING AND PUBLIC HEARING

TO OUR CUSTOMERS:

PLEASE TAKE NOTICE that on November 17, 2017, New Jersey Natural Gas (“NJNG” or the “Company”) filed its annual Societal Benefits Charge (“SBC”) petition with the New Jersey Board of Public Utilities (“Board”) for a price adjustment for all applicable service customers. Pursuant to its filing, NJNG requested that the Board permit NJNG to decrease its overall SBC rate which would include a decrease to the Remediation Adjustment (“RA”) factor and an increase to the New Jersey Clean Energy Program (“NJCEP”) factor effective April 1, 2018. No change is proposed to the existing Universal Service Fund (“USF”) rate which would remain at the current Board-approved statewide rate.

The RA rate provides recovery of actual costs incurred by NJNG for the clean-up of former manufactured gas plant sites. The NJCEP rate is designed to recover costs incurred for NJNG’s share of statewide energy efficiency and renewable energy expenditures. The USF is a fund established by the Board to provide affordable access to electricity and natural gas to residential customers in New Jersey. The overall SBC rate is comprised of the above components.

If the Board approves the requested price adjustment, the impact will result in an overall decrease of approximately (\$0.10) per month or (0.10) percent for a residential heating customer using 100 therms per month. The above-referenced proposal will not result in any profit for NJNG.

If approved by the Board, the impact of the proposed changes to the RA and NJCEP factors on typical natural gas bills is illustrated below:

Customer Type	Therm Level (Usage)	Total Bill		Net Dollar Decrease	Percent Decrease
		Monthly Bill as of January 1, 2018	Proposed Monthly Bill as of April 1, 2018		
Residential Heat Sales	100	\$103.65	\$103.55	(\$0.10)	(0.10%)
Residential Non-Heat Sales	25	\$31.76	\$31.74	(\$0.02)	(0.06%)
General Service Small	100	\$117.96	\$117.86	(\$0.10)	(0.08%)
General Service Large	1200	\$1,171.43	\$1,170.23	(\$1.20)	(0.10%)

The Board has the statutory authority to establish the RA and NJCEP factors at levels it finds just and reasonable. Therefore, the Board may establish the RA and NJCEP factors at levels other than those proposed by NJNG. NJNG’s SBC costs addressed in this petition will remain subject to audit by the Board, and Board approval shall not preclude or prohibit the Board from taking any such actions deemed appropriate as a result of any such audit.
