Important Notes:

The Demand Charge is applied to a customer's Highest Month Average Daily Usage (HMAD). The HMAD represents the highest daily usage a customer could have in one month.

The BGSS is applicable to GSL sales customers.

The BGSS is not applicable to GSL transportation customers who purchase natural gas commodity from a third party supplier at prices provided by the third party supplier.

For those months when rates change mid-month, rates shown in the tables are prorated based on the number of days in effect.
